### Autumn 1

It has been a very busy start the academic year and one of our longest half terms! The photos are a reminder of what school looked only a few weeks ago and what a difference the new windows and decoration has made to our learning environment. This newsletter is a reflection of the events that have taken place in school over the last few weeks.

Thank you to all parents and carers who have visited us in school this half term. Have a lovely half term break and see you all soon.

## Parent workshops Autumn 1

We have had a number of parent events this half term.

We started the year by welcoming parents in to school to see the new classrooms.

We had accelerated reader parent meetings for our KS2 parents.

We held PE workshops in October and ended the half term with parents evening.

Thank you for joining us! These are some of the things you said about our parent events....

"I came. I saw....and I really liked the classroom. It's so clean, light and spacious...a perfect environment for the children. Impressive."

"It was really interesting to hear about Accelerated Reader. I think it's an excellent programme to develop reading skills. I look forward to supporting my child with their reading. "
