

	<p>Acorn Class</p>	<p>Our lower SSC. For our younger learners, currently from Reception to Year Three</p>
	<p>Oak Class</p>	<p>Our upper SSC. This is a KS2 classroom, currently with children from Year Three to Year Six.</p>
	<p>The Bough</p>	<p>A room that centres around play based learning. This room is also used as the play therapy room once a week.</p>
	<p>The Branch</p>	<p>A room designed to offer minimal stimulation and distraction for periods of maximum concentration and targeted work.</p>
	<p>The Hollow</p>	<p>A room designed to offer a calm quiet, space to support being 'ready to learn'. The Hollow room offers children a space to gain some sensory input with the support of staff and the carefully selected equipment.</p>

Our learning spaces

We recognise that different environments suit our pupils at different times, therefore we make use of the following spaces to best support the children's learning and needs as and when needed. As part of a mainstream school we also share playgrounds, lunchtime facilities and hall spaces. Where appropriate, children also have the opportunity to join their age group class for some lessons.
