Dear Parents/Carers

Following on from the Prime Minister's announcement last night we are sure many of you will have a lot of questions. We expect to shortly receive further guidance on the phased reopening of schools, for some year groups, that will support us in our plans.

During this unprecedented period we remain committed to keeping all of our pupils, staff and families safe and healthy. This focus will always be at the centre of any decisions we make.

Therefore, at the moment, for us in school as there is no change to the current guidance, we will continue to provide a place in school for those children whose parents are key workers and children that have been identified as vulnerable following government guidelines. We will also continue to provide daily activities on our home learning platform, Class Dojo, for children to complete.

We will keep you informed of our plans and thank you for your continued support.

Yours Sincerely

Mr S Beswick
Executive Principal
