

A Bridging Foundation for  
Peer to Peer Support in Trafford

Stronger Together Empowering Parents (STEP) are a new team in the Trafford Parents Forum.

We will offer training for parent carers who would like to support other families in similar situations.

We are also there for those who need practical or emotional support.

### Why Volunteer?

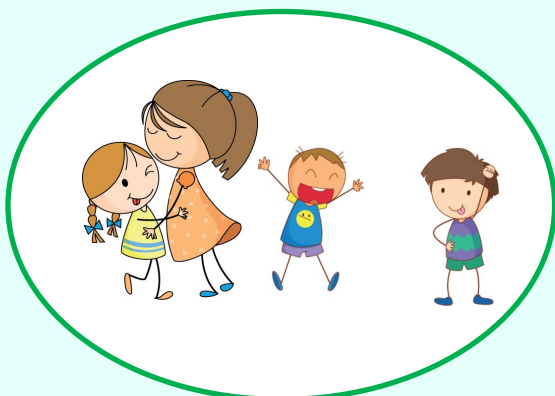

- ◆ Gain a sense of purpose.
- ◆ Empower yourself within your own family unit.
- ◆ Develop confidence and skills.
- ◆ Make a positive change to another family.

### Who?

If you are the parent or carer of a child or young person with SEND in Trafford and you are interested in becoming a volunteer, please contact STEP.

### Training

STEP is planning to hold a volunteer training program in September so contact us now to register your interest.
