

English

In English we will be continuing with our construct using quality texts as inspiration for writing.

We will be writing setting descriptions, newspaper reports, letters and instructions using Harry Potter as our stimulus.

We will also be taking part in daily reading skills sessions to strengthen our comprehension skills.

We will also have a daily SPAG focus in each lesson.

COMPUTING:

We will be taking part in iProgram with Junior Jam and sessions focusing on e-safety and staying safe online.

RE:

Why are festivals important to religious communities? We will be looking at different aspects of Judaism

PE:

PE will take place every Monday and Friday afternoon. There will be a fitness focus on a Tuesday (circuits) and a multi-sports focus during our Friday session. Children can come into school in PE kits on a Friday.

Year 4 Autumn 2 Term Newsletter

Follow us on twitter!

@BartonCloughY4 

Please remember to read for 30 minutes **EVERY NIGHT.** Parents, carers, older siblings and pupils can sign reading record entries – these will be checked daily.

Science

How would you cope without electricity for a day? We will be focusing on electricity this half term. Looking at how electricity travels, how to create circuits, insulators and testing materials' ability to conduct electricity

History:

In History we will be finishing off Ancient Greeks and then moving on to the Stone Age and the Iron Age. We will be exploring these important points in history and how these civilisations existed and developed. This period of time covers 10,000 years until the coming of the Romans. We will explore how they hunted and lived, fought and survived and developed and grew.

Homework:

Homework is given out on a **FRIDAY** and must be in the following **WEDNESDAY.** Spellings will be focused on during school time and a spelling test will take place weekly.

We hope you find this newsletter useful and if you have any questions or queries, please don't hesitate to contact school on Class Dojo.

Thank you Mr Jones

Maths

In Maths we will continue to develop and strengthen our arithmetic knowledge with our Daily 10 questions and personalised morning pack activities.

We will then continue to practise using our four operations (addition, subtraction, multiplication and division) and develop our reasoning and problem solving skills.

We will also have a strong focus on learning and using mathematical vocabulary.

PSHE:

We will be discussing the question 'how can we keep healthy as we grow?' focusing on our mental and physical health, healthy and balanced diets and sleep patterns.

Music:

We will be taking part in a Music Theory program learning how to read, write and play music.

Italian:

Children will be focusing on learning greetings, how to introduce themselves and questions they can ask family and friends.
