

Knowledge Organiser - Acorn and Oak - Autumn 2

Key Knowledge

1.	Names of the continents
2.	How levers work
3.	How can things be transported around the world?
4.	Where do we live?
5.	Where are toys made?

How Do Levers Work?

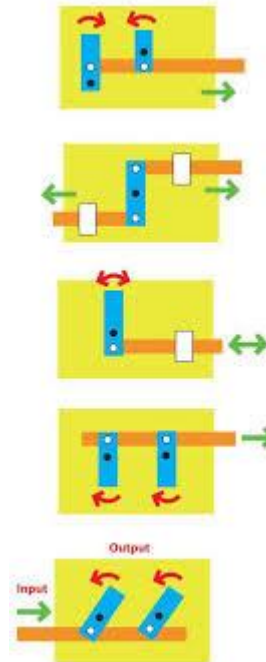

We can transfer movement from one place to another using a lever.

The World

We can use a map to show where the different continents and countries are.

Ten Helpful Habits

Smiling	Saying Sorry
Being Kind	Being kind to someone
Talking about feelings	Asking for help
Showing good manners	Trying new things
Accepting when no means no	Learning to share

Vocabulary

Continent	A collection of countries in an area of the world
Equator	Imaginary line around the Earth splitting it into 2 parts
Lever	A way of transferring movement from one place to another
Transport	A way of moving things from one place to another
