Executive Headteacher: Simon Beswick

Wednesday 6<sup>th</sup> January 2020

Dear parents and carers,

As the Prime Minister has now placed England into a full **National Lockdown** our remote learning offer will be in place for sometime.

We have therefore made the decision to introduce a more flexible and agile online learning platform, **Google Classroom**. **ClassDojo** will still be used as our school-home communication tool.

Over the next two weeks **Miss Bennion** and/or **Miss Yarwood** will be contacting you to help set up child/ren with their own class login. It would be really helpful if you could respond quickly to any emails to ensure the transition to the new platform is smooth.

It is essential that all children that are, learning at home, have access to a device during each day. Please note that **Google Classroom** can be accessed from an **Xbox, PS4 or PS5**.

Teachers will work with families to ensure that all children are participating. Please email the school if your child does not have access to a device as we have a very small number of devices sent by the DFE that we can loan to those who require one.

Children, who have a place in school, will access their year group online learning in class, using school devices.

Further information will follow and in the meantime, remote learning will continue on **ClassDojo**.

As ever, please take care during these difficult times and do not be afraid to contact us if you require any form of support or assistance.

Yours sincerely,

Mr. S.Beswick  
Executive Headteacher

**TOGETHER WE WILL**  
Challenge the ordinary  
Promote individuality  
Be advocates for change
