Dear Parents/Carers

Thank you for your support and patience during the switch to google classroom. We recognise that there have been a few technical issues but we have worked with parents to hopefully resolve these.

To further support you and your child with home learning, paper packs will be available to collect from the main office from Monday 1<sup>st</sup> February between 9.30-12pm each day.

These packs will include copies of all activities for Maths, English and Reading that will be set on google classroom over the next two weeks. **Children will still need to access google classroom to view teacher videos and resources to help them to complete the activity.** You will then need to upload a photograph of this work onto google classroom so that class teachers can provide your child with feedback. Tasks for Foundation subjects will continue to be online only but there will be plain paper available when you collect the pack, to support with these activities set.

If your child would prefer to continue completing their activities online rather paper, then you do not need to collect a pack.

Yours Sincerely

*Miss Bennion*
